# RESIDENTIAL LEASE AGREEMENT

**1. PARTIES**

This Residential Lease Agreement (the "Lease") is made on August 15, 2026 between Harbor Lane Properties LLC (the "Landlord") and Jordan Ellis and Sam Rivera (together, the "Tenant"). Each person named as Tenant is jointly and severally responsible for every obligation of the Tenant under this Lease.

**2. PREMISES**

The Landlord leases to the Tenant the apartment known as Unit 4B, 210 Harbor Street, Port Avery, together with one assigned parking space (number 17) and the use of the shared laundry room (the "Premises"). The Premises are leased unfurnished, except for the refrigerator, range, dishwasher and window blinds already installed.

**3. TERM AND RENEWAL**

The term of this Lease begins on September 1, 2026 and ends on August 31, 2027. Unless either party gives the other written notice at least sixty (60) days before the end of the term, this Lease renews automatically for successive terms of twelve (12) months each on the same terms, except that the Landlord may increase the rent for a renewal term by no more than four percent (4%) by giving the Tenant written notice at least ninety (90) days before the renewal term begins.

**4. RENT**

The Tenant shall pay rent of $1,850.00 per month, in advance, on or before the first (1st) day of each month, through the Landlord's online portal or by check payable to Harbor Lane Properties LLC. Rent received after the fifth (5th) day of the month is late, and the Tenant shall then pay a late fee of $75.00. A returned payment incurs a fee of $35.00, and after two returned payments the Landlord may require payment by certified funds.

**5. SECURITY DEPOSIT**

On signing this Lease the Tenant shall pay a security deposit of $2,775.00. The Landlord shall hold the deposit in a separate account and shall return it, less any amounts lawfully deducted for unpaid rent or for damage beyond normal wear and tear, within thirty (30) days after the Tenant returns possession of the Premises, together with an itemized list of any deductions. The Tenant may not apply the deposit to the last month's rent.

**6. USE AND OCCUPANCY**

The Premises shall be used only as a private residence for the persons named as Tenant and their children. Guests may stay no more than fourteen (14) nights in any six-month period without the Landlord's written consent. The Tenant shall not carry on any business at the Premises that brings customers or deliveries to the building, and shall comply with the building rules attached to this Lease, as the Landlord may reasonably amend them on thirty (30) days' written notice. The Tenant shall not assign this Lease or sublet any part of the Premises without the Landlord's prior written consent.

**7. UTILITIES**

The Landlord shall pay for water, sewer and trash removal. The Tenant shall pay for electricity, gas, internet and any other service to the Premises, and shall place those accounts in the Tenant's own name before the term begins. The Tenant shall keep the Premises heated to at least fifty-five degrees Fahrenheit (55°F) at all times to prevent frozen pipes.

**8. MAINTENANCE AND REPAIRS**

The Tenant shall keep the Premises clean and in good condition and shall promptly report to the Landlord, through the online portal, any leak, damage or defect. The Landlord shall make repairs to the structure, plumbing, heating, electrical systems and installed appliances within a reasonable time after notice, except for damage caused by the Tenant or the Tenant's guests, which the Tenant shall pay for. The Tenant shall replace light bulbs and smoke detector batteries. The Landlord may enter the Premises to inspect or make repairs on twenty-four (24) hours' notice, or at any time in an emergency.

**9. PETS**

No animals may be kept at the Premises without the Landlord's written consent, except assistance animals. If the Landlord consents to a pet, the Tenant shall pay a monthly pet fee of $40.00 per pet, and shall be responsible for any damage, noise or waste the pet causes in the building or on the grounds.

**10. EARLY TERMINATION**

The Tenant may end this Lease before the end of the term by giving the Landlord at least sixty (60) days' written notice and paying an early termination fee equal to one (1) month's rent, in which case the Tenant shall owe no further rent after the termination date stated in the notice. A Tenant who enters active military service, or who is a victim of domestic violence, may end this Lease as the law of the state allows without paying the fee. The Landlord may end this Lease before the end of the term only for a material breach by the Tenant, after giving written notice of the breach and fourteen (14) days to cure it, or as otherwise permitted by law.

**11. NOTICES**

Notices under this Lease shall be in writing and delivered by hand, by first-class mail, or by email to the addresses the parties give below. A notice sent by mail is effective three (3) days after it is mailed, and a notice sent by email is effective on the day it is sent if sent before 5:00 p.m., and otherwise on the next business day.

**12. GOVERNING LAW AND ENTIRE AGREEMENT**

This Lease is governed by the law of the state in which the Premises are located. This Lease, with the building rules attached to it, is the entire agreement between the parties and may be changed only in a writing signed by both of them. If any provision of this Lease is held invalid, the rest of the Lease remains in effect.

IN WITNESS WHEREOF, the parties have signed this Lease on the date first written above.
